# http://BenMerchant.dev

## Full Stack JavaScript Developer

[benjaminmerchant@gmail.com](mailto:benjaminmerchant@gmail.com)

### SKILLS

With thirteen years of experience, arguably one of the best servers in this town. The ability comes from passion, dedication, and appreciation for the job. Also helps to be naturally geared to be good at it; personable, extroverted. Looking forward to beginning and mastering a new career path.

### EDUCATION

#### **BridgeValley CTC, South Charleston, WV**

*AAS Computer Science Technology: Software Development*

Graduation: December 2018

Topics Covered:        JavaScript, C#, ASP.net, Python,  
                              MySQL, PHP, Database Management, Algorithms
